

The 1st International Conference on Transgenic Rabbits

Tsukuba, Japan, June 18, 2005

**Tsukuba University
University Hall**

Chair: Jianglin Fan, MD, Ph.D.
(University of Tsukuba, Tsukuba, Japan)

Secretariat of Conference:
Analytical Research Center for Experimental Sciences
Division of Laboratory Animal Science
Saga University
5-1-1 Nabeshima, Saga 849-8501 Japan
Tel: +81-952-34-2430
Fax: +81-952-34-2024
Email: morimoto@cc.saga-u.ac.jp

Program

June 18, 2005

- | | |
|---------------|---|
| 12:30 ~ 13:30 | Registration |
| 13:30 ~ 13:40 | Conference Opening Welcome
Teruo Watanabe, Vice President, Saga University
Katsutoshi Goto, Dean of University of Tsukuba
Graduate School of Comprehensive Human Sciences |
| 13:40 ~ 16:20 | Symposium
Chair: Masashi Shiomi Ph.D. (Japan)
Jianglin Fan, MD, Ph.D. (Japan) |
| 13:40 | Genetically modified rabbits: the current status and future perspectives
Jianglin Fan, MD, Ph.D. (Japan) |
| 14:20 | High level expression of biologically active human tissue non-specific alkaline phosphatase in the milk of transgenic rabbits
Bősze Zs. (Hungary) |
| 15:00 | Transgenic rabbits as bioreactors
Louis-Marie Houdebine (France) |
| 15:40 | Reproduction and transgenesis in rabbits
Besenfelder U (Austria) |
| 16:20 | Coffee Break |
| 16:30 ~ 17:30 | Poster Session |
| 17:30 ~ | Welcome Party |
